Lake Maggiore is undoubtedly an area rich in excellence, and one of the most beautiful Italian lakes that has enchanted Italian and foreign artists who have stayed here. Considered the largest of the pre-Alpine lakes, hence the name 'Maggiore', it has glacial origins and its banks are in Lombardy, Piedmont, and Switzerland. Turin, Piedmont's capital surrounded by Alpine splendor will surprise you with its unique charm. Here emperors have passed, kingdoms were born and power has left indelible marks. Turin is a metropolis that looks to its past, points to the future with the ambition of a city that grew from a small piedmont village to the capital of a kingdom and then a nation, and today transformed to a capital of cinema and auto production. The Piedmont Region produces some of the best wines and gourmet chefs in Italy.
