Two of the most photographed and requested regions of Italy are Tuscany and Umbria. In 2020, we have designed for your pleasure a 6 night vacation featuring the ancient village of Cetona, the medieval village Citta' della Pieve, and the Chianti countryside where the Crete Senesi and Val d'Orcia give birth to majestic cypress trees, fragrant olive groves, vineyards, and breathtaking views. These spectacular vistas are the inspiration for the background scenes in numerous Renaissance paintings by great masters such as Leonardo da Vinci. All of the above has been combined with Umbria, the green heart of Italy, characterized by rolling hills, quaint medieval hilltop towns, with many natural wonders and historic landmarks. Umbria is also known for its magical forests, rich with tasty black truffles and wild mushrooms.
