Two of the most photographed and requested regions of Italy are Tuscany and Umbria. In 2021, we have designed for your pleasure a 7 night vacation featuring the ancient hamlet of Cetona, the fortified medieval borgo Citta' della Pieve, and the Eternal City, Rome. Explore the verdant Chianti countryside where the Crete Senesi and Val d'Orcia give birth to majestic cypress trees, fragrant olive groves, vineyards, and breathtaking views. These spectacular vistas are the inspiration for the background scenes in numerous Renaissance paintings by great masters such as Leonardo da Vinci. Explore Umbria, the green heart of Italy, characterized by rolling hills, quaint medieval hilltop towns, natural wonders and historic landmarks. Umbria is also known for its wines, charcuterie, tasty truffles and wild mushrooms.
